

Want to improve your Danish?

OpenDanish is for you

Take your next step into the world of the Danish language and culture, and get introduced to others eager to understand and use the Danish language and cope in the Danish society.

OpenDanish

Open as in
'begin your study' or
'take your next step'.

Open as in
'all who are interested
in studying Danish
are welcome'.

Learn with ease

Use the Danish words you know

Learn numbers in ways that are fun

Find a study-buddy or a penpal

Ask any questions of importance to you

Get some cultural insights or hints

Be introduced to the books:

Teach Yourself Complete Danish
and *Danish an Essential Grammar*

Form a study group

Sing a common Danish song

Make friends

Bring your books and notes related to your Danish studies

OpenDanish 3-hour workshop

OpenDanish is conducted where and when 2-12 persons are interested in participating at the same place and time.

OpenDanish takes place in the Copenhagen area and, as per agreement, in your favorite city and country.
